### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Community Midwifery and Health Visiting.

*You asked:*

- 1. Does the authority still use paper versions of the red book and green book for community midwifery and home health visiting?*
- 2. Does the authority use any electronic versions of the red book or green book?*
- 3. If so which products do they use and how much did they spend on this software in each of the last three financial years?*

Trust response:

1. Red books are still supplied in some areas.
2. No
3. Not applicable.
