Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Patients with no fixed abode.

You asked:

- 1. Please provide (the number of long-stay* occurrences of patients with No Fixed Abode recorded by the hospital trust in 2018/19.*
- 2. As well as the total numbers above, for 2018/19, please also provide the total length of stay (current at time of record, if ongoing) of each long-stay occurrence of a patient with No Fixed abode.*

**Long stay is defined by the NHS as 21 days or over.*

Trust response:

Please note:

The Trust has changed the way the data is reported. The reason the figures differ from our previous response is because the system now uses the address as at the time of the episode rather than the address which is showing when the report is run.
