19 September 2019

Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Green space and CO2 emissions.

You asked:

- 1. The total of trust owned green space(s) available in 2019 in m2.*
- 2. The total of trust owned green space(s) available in 2009 in m2.*
- 3. What was the trusts total greenhouse gas emissions output (CO2e) in 2018/19, and the percentage change against 2008/9.*

Trust response:

We understand that you have been responded to directly regarding this. Unfortunately the figures quoted were incorrect and for this we apologise. The correct figures can be found below.

1. 83,648m² (in 2019)
2. 89,297m² (in 2009)
3. 12,342,217KgCO₂e

Unfortunately we do not have a figure for 2008/09 but our figure for 2012/13 was 16,908,119KgCO₂e
