Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to agency, locum or bank staff.

- 1. Over the last 5 years, broken down by year, the total number of hours of work provided to the trust by non-substantive doctors, either via a locum agency or a bank staffing system, and the total cost to the trust of those hours.*
- 2. The above information broken down by staff sourced through agency and those sourced through your bank staffing arrangement.*
- 3. The figures (hours and spend for each of locum and bank) provided in answer to 2. broken down first by specialty and then grade of doctor.*
- 4. The standard hospital hourly rate of pay for each of the specialties and grades listed in answer to 3.*
- 5. The hospital and NHS capped rates for each of the specialties and grades listed in 3. if different to the rate listed in 4.*
- 6. For each category created in response to 3. (i.e bank haematology registrars), the percentage of hours worked at standard rate, above the standard rate, and above the capped rate if different from the standard rate.*
- 7. What penalties, if any, are levied against the trust if it exceeds the 'capped' rate.*
- 8. What penalties were levied against the trust for breaking the cap in each of the years for which data has been provided.*
- 9. If the trust utilises a Bank Partner, what is the cost of said Partner and how does this cost manifest e.g. lump sum, fee per position filled etc.*

1. Unable to respond to this question in full, historical data is not held in this format and the time required to collate would exceed FOI allocation.

The below data represents combined agency and bank data over the last two financial years, we are unable to separate out the data for bank in to substantive or non-substantive so for bank this is all bank.

Staff Type	Hours 17/18	Cost 17/18	Hours 18/19	Cost 18/19
Medical	252,113	16,183,444	169,206	18,936,520

The Trust has estimated that it will cost more than the appropriate limit to consider this part of your request. The appropriate limit is specified in regulations and represents the estimated cost of one person spending 3½ working days in determining whether the Trust holds the information, locating, retrieving and extracting the information. Under Section 12 of the Freedom of Information Act 2000 the Trust is not obliged to comply with this part of your request and we will not be processing this part of your request further.

3. Please find attached a summary of expenditure on temporary medical staff for 5 years, analysed by specialty and grade. Hours are not reliably available from Finance systems.

This answers question 3 (which partly answers questions 1 and 2).
