## **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Compromise agreements.

*You asked:*

- 1. Please advise how many compromise agreements the trust has entered into since 1 April 2013.*
- 2. Can the trust confirm that it adopted the NHS policy of inserting a clause into compromise agreements to make it clear that workers or former workers are not prevented by compromise agreements from making public interest disclosures?*
- 3. If so, when did the trust adopt this policy?*
- 4. How many of the compromise agreements reached by the trust since 1 April 2013 contained a clause which made it clear that the worker or former worker in question was not prevented by the agreement from making public interest disclosures?*
- 5. If the trust has inserted such a clause into its compromise agreements, please provide a copy of the relevant clause.*

**Trust response:**

Under Section 21 of the Act we are not required to provide information in response to a request if the information is already reasonably accessible to you. The information you requested is available from the trust website using the following link/s: <http://www.mtw.nhs.uk/wp-content/uploads/2016/06/Compromise-agreements.pdf>

The Trust can confirm that there have been no compromise agreements in the period since January 2016 to date. All other details remain the same.
