Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Demand side response agreements.

You asked:

- 1. Details of any demand side response (DSR) agreements between your organisation and National Grid, including the dates of those agreements*
- 2. Copies of any of the above agreements, or relevant letters/emails exchanged with National Grid if you do not hold a formal agreement document*

I am only seeking details/copies of agreements made in the last two years.

Trust response:

The Trust has no formal or informal agreements with the National Grid in regards to Demand Side Response, and as such there is no communication in relation to DSR between the national grid and the Trust.
