Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Electronic Health Records (EHR).

You asked:
Our request is limited to systems holding patient clinical records as an electronic health record (EHR), and excludes systems such as Patient Administration Systems (PAS), Portals, and other back office corporate systems that are not used by clinicians to handle patient clinical records. For each system, please list both the system name and the manufacturer or vendor. Where there is an in-house IT application, please provide contact details for the person responsible for this application.
