Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Obesity.

You asked:

Would it be possible to reveal the number of hospital admissions where obesity was noted as the primary reason?

Could you please supply the figures for the following financial years: 2019-20 to date, 2018-19, 2017-18, 2016-17, 2015-16?

For each of the financial years stated above, could you please list the age of the youngest and oldest patients to be admitted for the primary reason: obesity?
