Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Private Providers.

You asked:

Would it still be possible to request the figure for each year from 2016 to 2019 whose procedures were carried out privately please.

For Q2, do you have the actual numbers, as well as the percentage please.

Trust response:

2016/2017	2017/2018	2018/2019	2019/2020
1165	604	386	335

Please note that this is the number of patients that had a procedure either at Maidstone or Tunbridge Wells privately.
