Trust response:

The Trust is unable to answer this request without the manual checking of every patient record as the requested antibiotics are used for multiple types of infections.

The Trust has estimated that it will cost more than the appropriate limit to consider your request. The appropriate limit is specified in regulations and represents the estimated cost of one person spending 3½ working days in determining whether the Trust holds the information, locating, retrieving and extracting the information. Under Section 12 of the Freedom of Information Act 2000 the Trust is not obliged to comply with your request and we will not be processing your request further.
