**Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to cancelled cancer operations

*You asked:*

*I would like to know how many cancer operations have been cancelled by your NHS Trust since March 1st 2020?*

Trust response:

From March 2020, all cancer patient surgical treatments were reviewed and based on this, either proceeded or were rescheduled appropriately. No surgery was cancelled outright and all surgical treatments have been completed.
