### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Contracts register.

*You asked:*

*The contract register should display all the organisations existing/live contracts I would like the register to display the following columns/headings:*

- 5. Spend (Total or Annual)*
- 6. Contract Duration*

*13. Can you also provide me with contact details of the person responsible for the actual contract's register or someone responsible for API? [Name, Job Title, Telephone, Email Address] At the very least provide me with their actual job title.*

*(Meaning of API "a set of functions and procedures that allow the creation of applications which access the features or data of an operating system, application, or other service.")*

Trust response:

The Trust contracts register is not fully completed and we have supplied as much information as we have available.

5. The Trust is applying Section 43(2) FOIA which provides an exemption from disclosure of further detailed information which would or would be likely to, prejudice the commercial interests of any person (including the public authority holding it). This is a qualified exemption, and is therefore subject to the public interest test.

The Trust believes that the information requested is of an amount which may identify the items or services provided which would be likely to damage the company's ability to win new business opportunities for their services and products and to perform them within a commercially competitive market.

The Trust has concluded that the public interest in maintaining the exemption, and therefore protecting the commercial interests of the suppliers and preserving its ability to compete fairly in a commercial market, outweighs the public interest in disclosure in this case.

#### Supplier Transactions

All NHS bodies are required to publish details of individual invoices and transactions that are over £25,000. This is in response to guidance from HM Treasury which sets out the scope of the data. Details can be found on our website using the following link: [www.mtw.nhs.uk/about-us/our-quality-story/finance/](http://www.mtw.nhs.uk/about-us/our-quality-story/finance/)

11. Please note that the contract owner is the Trust Procurement Team who fall under the remit of the Finance Director. Full contact details can be found on our website. [WWW.MTW.NHS.UK](http://WWW.MTW.NHS.UK)
