### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Dementia services and therapies.

*You asked:*

1. *Are patients with dementia able to access any of the following therapies (i.e. from dementia services, memory services, memory clinics or mental health services within the Trust)?*
  - a. *Group cognitive stimulation therapy*
  - b. *Group reminiscence therapy*
  - c. *Cognitive rehabilitation or occupation therapy*
  - d. *Multi-sensory stimulation*
  - e. *Cognitive training*

Trust response:

Mental Health services e.g. memory clinics etc. are provided by Kent and Medway NHS and Social Care Partnership, rather than Maidstone and Tunbridge Wells NHS Trust.

Voluntary services also provide Cognitive Stimulation and Reminiscence groups.
