Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to external well led review.

You asked:

I would like to put in in place a freedom of information request to this trust regarding your last external well led review,

- 1. Could you tell me when it happened (MM/YY)?*
- 2. Who was commissioned to undertake it?*
- 3. What was the cost of it?*

Trust response:

1. The only external well-led review the Trust has been subject to has been via the formal inspection by the Care Quality Commission that took place in December 2017.
2. The Trust did not commission the review (see the response to question 1).
3. The Trust did not pay for the review (see the response to question 1)
