Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to the locum agency spend for the trust for Nurses.

You asked:

I would like you to send me the locum agency spend for the trust for Nurses in acute settings as well as the community, including but not limited to general, ITU, Mental Health. I would like to know the spend for from January 2020 to date, also including the amount of locums that this refers to per month, broken down on a monthly basis. In the breakdown if you could please include the agencies that provide the locums also broken down numerically.

Trust response:

Please note: We cannot distinguish between expenditure on staff in acute or community locations. The count of invoices should mostly be equal to the number of bookings.
