Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Electronic Management System for Implanted Cardiac Devices.

You asked:

Is the Trust currently using an Electronic Management System for Implanted Cardiac Devices?

If so, which system are you using?

If so, what is the contract end date?

Trust response:

The Trust does not currently use a EMS for implanted cardiac devices.
