### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Healthcare IT systems.

*You asked:*

*Can you review the attached spreadsheet of systems we have recorded for your trust and correct any mistakes, omissions or changes?*

*We would like to check that we have the correct supplier name, system name, date of installation and contract expiration date recorded for your trust's IT systems. Please could you also validate if the IT system is annually renewed or not?*

Trust response:

Please find below the updated chart as requested.
