Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to IT Infrastructure.

You asked:

SECURITY / CYBERSECURITY:

- 1. What SEIM (Security Event and Incident Management) solution is used by your organisation?*
- 2. When does your SEIM (Security Event and Incident Management) platform license subscription come up for renewal?*
- 3. If the SEIM (Security Event and Incident Management) solution was purchased via third party please disclose the contracting party's details?*
- 4. Do you outsource your security management to a third party (managed security service provider)?*
- 5. If so can you disclose the name of the managed security service provider?*
- 6. When does the current service contract from the current managed security service provider end?*
- 7. Can you provide the email address of the individual that is responsible for your IT Security?*

ICO - breaches:

- 8. How many cyber security breaches has your organisation had over the past 2 yrs.?*

Trust response:

1. None
2. Not applicable
3. Not applicable
4. No.
6. Not applicable
7. Director of IT - Morfydd.williams@nhs.net
8. This information can be found on the Trust website in our Annual Report

and Accounts. Under Section 21 of the Act the Trust is not required to provide information which is readily available in the public domain. Please use the following link for details of any breaches in the 2019-2020 financial year.
