Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to abdominoplasty surgeries.

You asked:

I need the number of abdominoplasty surgeries done in the hospital in the last 5 years.

Trust response:

From the 1st of January 2016 till the 31st of December of 2020 there have been two records.

Due to the very small number of cases and in order to protect patient confidentiality further information will not be released using the limitations available under Section 10 and Section 11 of the Data Protection Act 1998.
