Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Endometriosis.

You asked:

- 1. What ages are women getting endometriosis?*
- 2. How many cases of endometriosis have been diagnosed in the past year?*
- 3. How many cases of endometriosis have been diagnosed in the past ten years?*

Trust response:

The Trust does not hold this information in a reportable format and would need to carry out a large audit in order to supply these figures. The Trust has estimated that it will cost more than the appropriate limit to consider your request. The appropriate limit is specified in regulations and represents the estimated cost of one person spending 3½ working days in determining whether the Trust holds the information, locating, retrieving and extracting the information. Under Section 12 of the Freedom of Information Act 2000 the Trust is not obliged to comply with your request and we will not be processing your request further.
