02 July 2021

### Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Covid-19 deaths and adverse vaccination effects.

*You asked:*

1. *How many patients have been reported to have died from "Covid -19" as the main / primary cause of death with no major underlying health issues between March 2020 - December 2020?*
2. *How many patients have been reported to have died from "Covid -19" as the main / primary cause of death with no major underlying health issues between January 2021 - June 2021?*
3. *How many patients have been reported to have died having suffered severe adverse effects from the covid-19 "vaccinations? From January 2021 - June 2021?*
4. *How many patients have reported and been hospitalised following adverse effects from the Covid-19 "vaccinations? From January 2021 - June 2021?*

Trust response:

1, & 2.

The Trust is able to advise how many patients have died in hospital with no comorbidities (including obesity) detailed on their death certificates i.e., death certificates that are clean except for Covid 19 recorded in section 1a (please see below). It should be noted that this data may not accurately respond to the question asked.
