Trust response:

The Trust has used the following companies from the above list:

CITY ELECTRICAL FACTORS LTD
REXEL UK LIMITED
RS COMPONENTS LTD
SCREWFIX DIRECT
STEARNS ELECTRICAL CO. LTD

The total spend excluding VAT for the financial year April 2020 - March 2021 is £94,565.47.

The Trust is applying Section 43(2) FOIA which provides an exemption from disclosure of further detailed information which would or would be likely to, prejudice the commercial interests of any person (including the public authority holding it). This is a qualified exemption, and is therefore subject to the public interest test.

The Trust believes that the information requested is of an amount which may identify the items or services provided which would be likely to damage the company's ability to win new business opportunities for their services and products and to perform them within a commercially competitive market.

The Trust has concluded that the public interest in maintaining the exemption, and therefore protecting the commercial interests of the suppliers and preserving its ability to compete fairly in a commercial market, outweighs the public interest in disclosure in this case.

Supplier Transactions

All NHS bodies are required to publish details of individual invoices and transactions that are over £25,000. This is in response to guidance from HM Treasury which sets out the scope of the data.
