Can I also ask for?

- 3. Confirm the organizations commissioned by the CCG provide Ophthalmology services to your patients?*
- 4. The end dates of your current commissioned ophthalmology providers.*
- 5. How many of your existing contract providers contract arrangements are now in their extension period?*
- 6. Who (if any) providers are providing ophthalmology services to patients without a contract where a patient has exercised their right to choose a provider?*
- 7. How can new providers offer the service to patients who are still awaiting cataract surgery*
