## **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Midwifery Leadership structure chart.

*You asked:*

*The information we would like is your organisational chart or structure as it applies to the maternity services that you provide.*

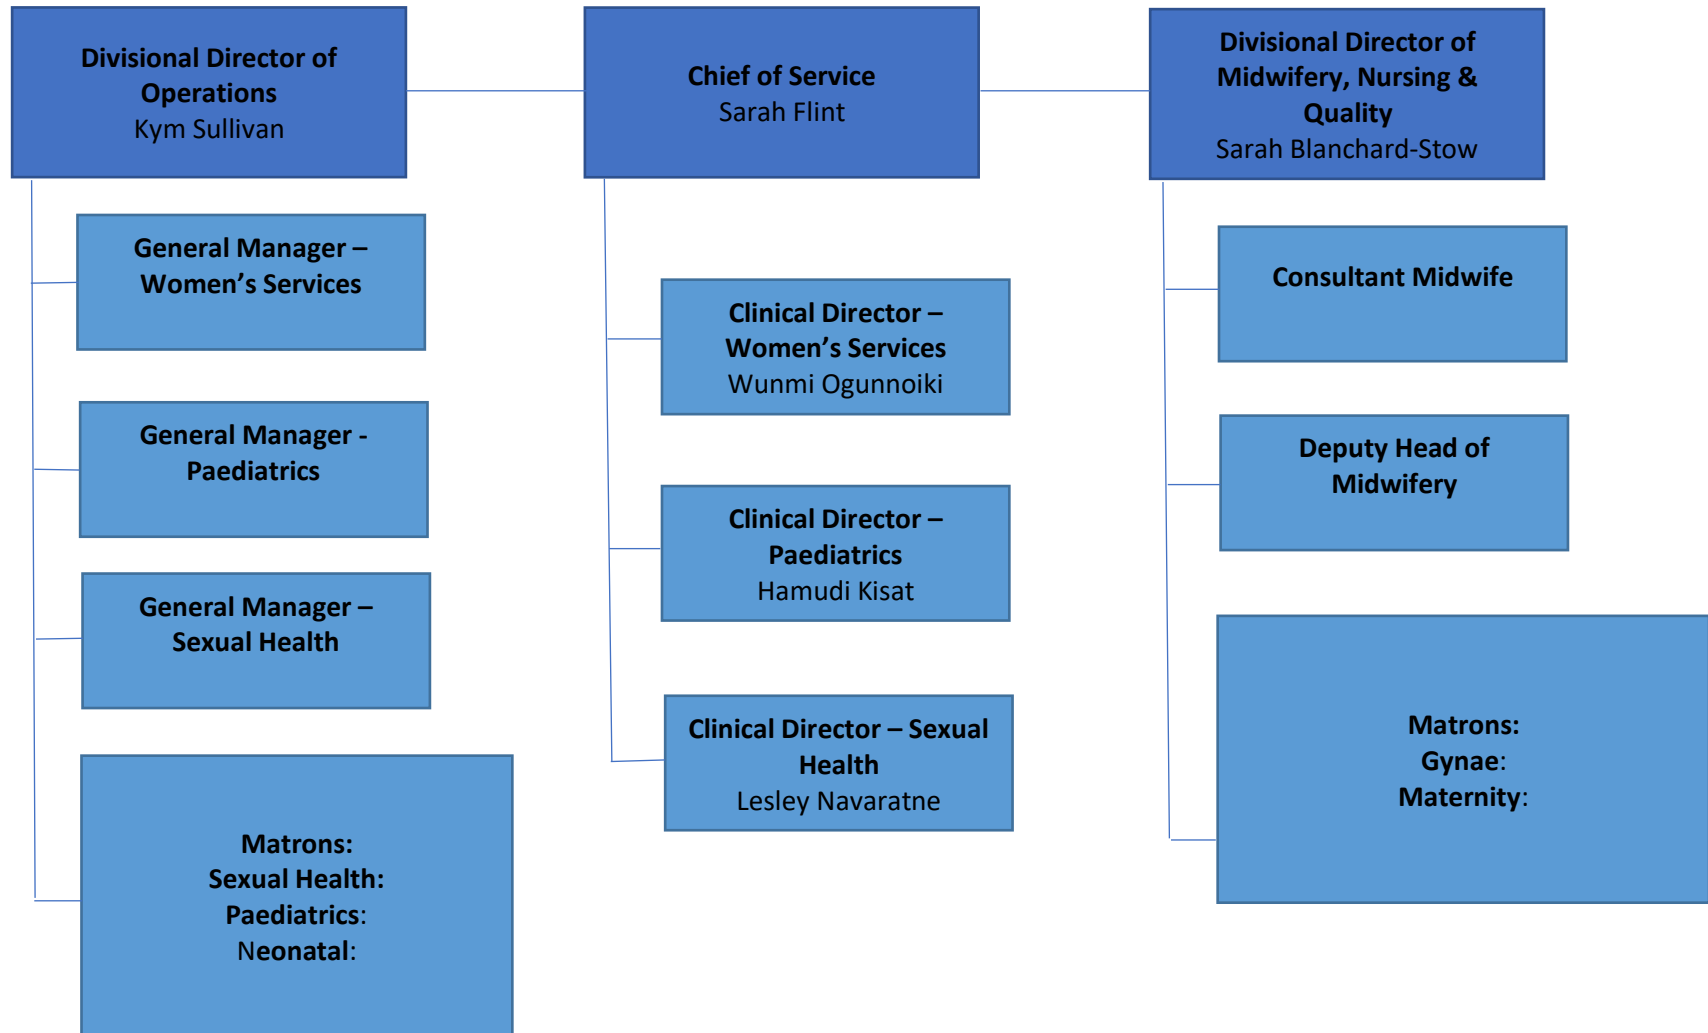

*In particular we are interested in the lines of management and accountability that exist between heads & directors of midwifery and the highest levels of management within your trust (including at board level) and posts to which heads & directors of midwifery report.*

*Please also include all roles that sit within the maternity services you provide including specialist midwife roles (e.g. smoking cessation specialist midwives) and any other posts not within maternity that report to heads & directors of midwifery.*

Trust response:

Please see the following structure chart. Further more detailed information such as the remaining staff names will not be released under Section 40 of the Act.
