Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to gifts and hospitality register.

You asked:

I would like a breakdown for the last two years (e.g. April 2019 to March 2021, or calendar years 2019 to 2021 if more appropriate to your organisation), of items logged on the organisation's gifts and hospitality register by staff.

I request the following details:

- Date item was declared*
- Description of item*
- Reason for the gift/hospitality if provided*
- Value or estimated value if applicable*
- Whether the item was accepted or declined*
- Role of staff member the gift was received by if known, e.g. nurse, doctor, midwife etc.*

I would like the information on an excel spreadsheet and via email if possible.

Trust response:

Please see the following information.
