Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to organisational structure charts for your Project Management Office/Transformation departments.

You asked:

Please can you provide me with the organisational structure charts for your Project Management Office/Transformation departments.

Trust response:

Maidstone & Tunbridge Wells NHS Trust receives a number of requests for details relating to the professional lives of our staff from private individuals and organisations, some of whom are involved in recruitment and marketing. We are aware that approaches from some of these organisations, as a result of any disclosure on our part, may lead to damage and distress to individuals. On very rare occasions it might be considered in the public interest to disclose some information but in such cases the views of the individual staff concerned is always sought.

Information relating to staff that is not currently publicly available on our website will not be released under Freedom of Information Act 2000 Section 40(2) (personal information) as it relates to the personal information of employees.

These roles fall under the remit of the Chief Finance Officer.
