### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to fertility, maternity, childbirth and post-natal services.

*You asked:*

- 1. Do you have a policy for the management of larger women? If so, what is the BMI cut off (or other criteria) where this policy comes into use?*
- 2. Please attach a copy of the above policy.*
- 3. Please could you attach any other policies/guidelines/protocols relating to fertility, maternity, childbirth and post-natal which address the management of higher BMI women. This could include (but not be limited to):*

*Inclusion/exclusion criteria for use of midwife led unit, hospital birthing pool, home birth, IVF etc.*

*Glucose Tolerance Testing and Gestational Diabetes,*

*Clexane prophylaxis*

*Pre-Birth Anaesthetist referral*

*Additional growth scans*

Trust response:

Please find below the links to the relevant information.

These have also been attached to the email.
