Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to private healthcare insurance for staff.

You asked:

In the last financial year, for which there are records, how much did the trust spend on private healthcare insurance for a) medical staff, b) administrative staff, c) all staff.

Trust response:

The Trust does not provide private medical insurance as a benefit to staff, therefore the answer to all questions is £0.
