Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Annual Security Reports.

You asked:

The NHS Business Services Authority formerly had an integral organisation "NHS Protect". In 2017 NHS Protect was replaced by the NHS Counter Fraud Authority.

Security provisions were not included in the superseding organisation.

I would be grateful if I could receive electronically a copy of the MTW Trust Annual Security Reports for the years 2018,2019,2020.

Trust response:

The Trust did not produce "Trust Annual Security Reports" for the years 2018, 2019 or 2020. There was however, some security-related content within the Trust's Health & Safety Annual Reports for 2018/19, 2019/20 and 2020/21.

These reports are available on the Trust's website, as part of the reports for the Trust Board meetings held in September 2019, September 2020 and September 2021 (which can be accessed at https://www.mtw.nhs.uk/wp-content/uploads/2019/09/2019-09-25_10-26-15_FINAL-Boardbook-final.pdf; <https://www.mtw.nhs.uk/wp-content/uploads/2020/09/Trust-Board-agenda-and-reports-September-2020.pdf>; and <http://www.mtw.nhs.uk/wp-content/uploads/2021/09/Trust-Board-agenda-and-reports-September-2021.pdf> respectively).
