## **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Local Care Record or Shared Care Record.

*You asked:*

*This FOI request refers to a "Local Care Record" or "Shared Care Record". This is defined as a way to electronically access patient data from outside your Trust (e.g. from local GP surgeries, or other local hospitals/healthcare providers). This includes software like a clinical portal or healthcare information exchange (HIE), or a point-to-point interface. This does not include access to NHS spine summary care records.*

*1a) In what year was the first implementation of a Local Care Record/Shared Care Record in your Trust?*

*1b) Please specify the name and vendor (software supplier) for this first Local Care Record/Shared Care Record implementation.*

*1c) What local providers did this Local Care Record/Shared Care Record include? For GPs please specify the region(s). For hospitals, please name the hospital.*

Trust response:

The Kent and Medway Care Record (KMCR) joins-up health and social care in Kent and Medway. It is managed by Kent Community Healthcare NHS Foundation Trust (KCHFT) please contact them directly.

Additional information can be found on the Kent and Medway CCG website using this link - <https://www.kentandmedwayccg.nhs.uk/about-us/who-we-are/ICS/kent-and-medway-care-record>
