Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Data Protection Officer.

You asked:

- 1. Do you have a post at your organisation that is entitled or encompasses roles associated with a Data Protection Officer?*
- 2. If yes, please could you provide a current job description for that role.*
- 3. If you are an NHS organisation, please could you also provide the detailed 'Agenda for Change' evaluation match analysis that supports the job description.*

Trust response:

1. The Trust Secretary has been appointed to that role. Further information can be found on our website within the patient Privacy Notice at <http://www.mtw.nhs.uk/wp-content/uploads/2021/03/Privacy-Notice-for-patients-amended-to-include-opt-out-11.03.21.pdf>
2. This is not a stand-alone role however, there is a role description, which is an appendix to the Information Governance Policy. The role description can be found at <http://twhqpulse01:84/QPulseDocumentService/Documents.svc/documents/active/attachment?number=RWF-IMT-IG-APP-2>
3. This is not a stand-alone role and therefore this question does apply to the Trust.
