Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Limb amputation.

You asked:

Please can you provide the total number of patients that have had limbs or parts of limbs amputated within your trust for the following years. If this data is available for individual age groups I would be grateful if you could provide.

2018

2019

2020

2021

2022 (to date)

Trust response:

Please note that due to the very small numbers and to avoid the possibility of patient identification the Trust has provided the information in age bands.
