Trust response:

Maidstone & Tunbridge Wells NHS Trust receives a number of requests for details relating to the professional lives of our staff from private individuals and organisations, some of whom are involved in recruitment and marketing. We are aware that approaches from some of these organisations, as a result of any disclosure on our part, may lead to damage and distress to individuals whose roles and responsibilities would not normally be public facing or a level where the expectation would be that this information should be in the public domain. On very rare occasions it might be considered in the public interest

to disclose some information but in such cases the views of the individual staff concerned is always sought.

The Trust follows guidance issued by the Information Commissioner's Office on the disclosure of personal data including direct contact details.

Information relating to staff that is not currently publicly available on our website will not be released under Freedom of Information Act 2000 Section 40(2) (personal information) as it relates to the personal information of employees.

The Trust Executive structure chart is available on the Trust website www.mtw.nhs.uk and details of our Clinically Led Organisation can be found on the trust website using the following link: <https://www.mtw.nhs.uk/about-us/our-quality-story/clinically-led-organisation/>
