Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Paediatric/Child Head Injury Advice Leaflet and/or Concussion Advice Leaflet.

You asked:

I would like to make a FOI request for a copy of your Paediatric/Child Head Injury Advice Leaflet and/or Concussion Advice Leaflet (both may exist, or just one). This would typically be given out from the Emergency Department following discharge of a child following a head injury.

Trust response:

Please find a link to the leaflet that the Trust gives to all adult and children in our Emergency Department relating to head injury.
