Trust response:

The information requested would not be coded and is not held in a reportable format.

It may be possible that this information has been entered into a patients record but in order to confirm this each patient record would need to be manually checked by a clinical staff member. The Trust has estimated that it will cost more than the appropriate limit to consider this part of your request. The appropriate limit is specified in regulations and represents the estimated cost of one person spending 3½ working days in determining whether the Trust holds the information, locating, retrieving and extracting the information. Under Section 12 of the Freedom of Information Act 2000 the Trust is not obliged to comply with your request and we will not be processing your request further.
