## Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to equality statements or policies, regarding disability discrimination.

*You asked:*

*I would like policies that cover the trust's responsibility to patients who have a disability when they access health services,*

*For example, when a person with a disability comes into hospital for treatment and how they should be dealt with to ensure reasonable adjustments are made for them and their needs are facilitated/discrimination does not occur in their treatment -*

*under the Equality Act,  
Human Rights Act and the  
Autism Act.*
