Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to ICT documents.

You asked:

1. ICT/IM&T/IS Strategy- The IT department strategy or plans, highlights their current and future objectives.

2. ICT Org Chart- A visual document that presents the structure of the IT department, please include name and job titles. If this cannot be sent, please work towards a structure with job titles.

3. ICT Annual or Business Plan- Like the ICT strategy but is more annually focused.

4. ICT Capital Programme/budget- A document that shows financials budget on current and future projects.

Trust response:

1. Under Section 21 of the Act we are not required to provide information in response to a request if the information is already reasonably accessible to you. The information you requested is available from the trust website using the following link/s: <u>www.mtw.nhs.uk/wp-content/uploads/2020/07/MTW-IT-Strategy-2018-2023-v2.01.pdf</u>. Alternatively, from our website home page, click the Freedom of Information Tab, and information can be found in the IT section of the Data to support FOI FAQ's.

This information will be updated on a regular basis and further more detailed information will not be released under Section 40 of the Act.

2. Under Section 21 of the Act we are not required to provide information in response to a request if the information is already reasonably accessible to you. The information you requested is available from the trust website using the following link/s: <u>https://www.mtw.nhs.uk/freedom-of-information/</u> the link should take you to the Freedom of Information page where the information can be found at the bottom of the page. Alternatively, from our website home

page, click the Freedom of Information Tab, and information can be found at the bottom of the page.

This information will be updated on a regular basis and further more detailed information will not be released under Section 40 of the Act. 3.
