### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Ambulance deaths.

*You asked:*

*The number of patients per week who have died while waiting inside an ambulance - on hospital property - to be admitted to the emergency department. I would like this information between the dates 01/11/2021 and 15/11/2022.*

Trust response:

The Trust can find no record of this event taking place within the timeframe requested. This would be classed as a serious event and would have been recorded on our reporting system.
