Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Heart failure.

You asked:

Would it be possible to reduce the request to simply ask what number of inpatient spell discharges that have been coded with any heart failure code?

Trust response:

In the last 12 months there have been 4232 inpatient spells which have been coded with any heart failure code.
