Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to the treatment of HR+ adjuvant breast cancer.

You asked:

Over the latest 12 months of data that you have access to, how many patients who were diagnosed with HR+ adjuvant breast cancer received trastuzumab monotherapy?

Trust response:

Over the last 12 months of data the Trust has had zero patients treated with only Trastuzumab.
