Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Major Haemorrhaging in Hospital Protocols.

You asked:

Please could you confirm whether or not these guidelines are still in use and if they have been updated since the initial request. If they have been updated please could an updated copy be supplied.

If any new protocols for the management of major haemorrhage, the rapid identification of patients taking anticoagulants and the reversal of anticoagulation agents have been published since our initial request please could a copy be supplied.
