## **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Cyber Insurance Spending.

*You asked:*

*SECURITY / CYBER SECURITY Insurance*

1. *Does your organisation currently have cyber insurance or plan to invest in cyber insurance in the next 12 months?*
2. *If you have cyber insurance who is the policy with?*
3. *If you have cyber insurance when does the policy come up for renewal?*
4. *If you have cyber insurance what is the cost of your current policy or renewal?*

Trust response:

The information which has been withheld is exempt from disclosure under section 31(1)(a) of the Freedom of Information Act. The relevant parts of the ICO guidance on the subject (<https://ico.org.uk/media/for-organisations/documents/1207/law-enforcement-foi-section-31.pdf>) run as follows:

31.— (1) Information is exempt if its disclosure under this Act would, or would be likely to, prejudice - (a) the prevention or detection of crime. It could be used to withhold information that would make anyone, including the public authority itself, more vulnerable to crime for example, by disclosing its own security procedures.

The Trust has issued a Cyber Security statement which can be found on our website using the following link: <https://www.mtw.nhs.uk/freedom-of-information/>
