Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Deaths in A&E.

*You asked: All questions are shown as received by the Trust.
How many patient deaths occurred in the A&E department at your Trust in each of the following calendar years (rather than financial years): 2018, 2019, 2020, 2021, 2022, broken down by month?*

Trust response:

The Trust does not have data going back as far as requested. We have used the SNOMED Discharge Status code Died in the Emergency Care facility, for completed months 2021-07 to 2022-12.
