Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Email archive.

You asked:

- 1) Do you have on-premise Microsoft Exchange? If yes:
 - a. Which version?*
 - b. Do you have public folders?*
 - c. Do you manage the infrastructure yourselves? If not, who is your partner?**
- 2) Do you have a 3rd party email archive solution such as Enterprise Vault, EMC Source One or Quest Archive Manager?
 - a. If yes, which one?**
- 3) Do you have PST files?*
- 4) If you have not already, are you planning to migrate to Office 365?*
- 5) Which person is responsible for your email infrastructure?*

Trust response:

- 1) No.
- 2) No
- 3) No - potentially there are some legacy ones that are not used
- 4) Where required, some staff are using Office 365. However, the Trust found it more cost effective to use Office 2019 for the majority of its workforce.
- 5) Infrastructure is outsourced to Accenture/NHSe.
