Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Supplier Spends.

*You asked: All questions are shown as received by the Trust.
Please could you provide the annual spend for the below suppliers from July 2021 to July 2022? Please note this information is not commercially sensitive as all you will be providing is the total money spent with each supplier not any detail of what you bought. Please could I have this in an excel spread sheet?*
