Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to the discharge of elderly people from hospital to own home.

You asked:

Please can I have a copy of the Trust's policy pertaining to the discharge of elderly people from hospital to their own home.

Trust response:

The Trust does not have a policy specifically relating to the discharge of elderly people from hospital to their own home.

I have however linked below and also attached to this email the Trust's Operational Discharge Policy and Procedure.
