Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Consumables.

*You asked: All questions are shown as received by the Trust.
The information I'm looking for is;*

- The top 30 products that your trust consumes on a regular basis. For example, reams of printer paper, pens, pencils, pads etc. I'm assuming that this list may well include clinical items such as gowns, scalpel blades, scrubs etc.*
- The volume of each item bought per annum (either over a 12 month period or a financial year)*
- The unit cost of each item (or an average price)*

Trust response:

Please see the following table.

Further more detailed information will not be released under Section 43 of the Act.
