### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Transplant training.

*You asked: All questions are shown as received by the Trust.  
Specifically I would like information regarding work on organ transplantation.*

*Please provide me with the details of the countries of destination for any foreign medical staff who have received training in transplant medicine at your trust between 1/8/2018 and 1/8/2023.*

*In providing this information please give the start and end dates of any training, the type of training (for example doctor exchange, research project), and if it focussed on any particular topic.*

Trust response:

We are unaware of any training in Transplant medicine occurring at the Trust. Although an active site in facilitating organ donation the Trust conducts no solid organ transplants.
