Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Radiation Protection Supervisor (RPS).

*You asked: All questions are shown as received by the Trust.
Please could you confirm, what is the job role of your Radiation Protection Supervisor (RPS) in your Trust?
Do you have a separate RPS for your Operating Theatres? If so, what is their Job role besides being the RPS?*

Trust response:
Maidstone and Tunbridge Wells NHS Trust have two named RPS. One of whom works as an Anaesthetic Practitioner. The other is a Theatre Clinical Coordinator.
