### Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to patient safety incidents.

*You asked: All questions are shown as received by the Trust.  
 Can I request the number of patient safety incidents that resulted in a severe or death degree of harm to the patients (as defined by NHS England) and what month and year they took place from 2010 to present please.  
 Can I also have these as two separate figures - one for severe and one for death - and a figure of how many deaths there were in total as an incident can refer to more than one death.*

Trust response:
